Brian serves as general counsel to many Illinois school districts, charter schools, private schools, other public bodies, and not-for-profit organizations. While Brian's practice touches on virtually every matter his clients face, he tends to focus on general governance, bidding, all types of contractual matters, from software to construction contracts and employment contracts. He also specializes in real estate, land use, and zoning matters. Brian has significant experience regarding the Open Meetings Act and the Freedom of Information Act (FOIA), advising clients on nearly a daily basis.

He began his career representing municipalities. His depth of local government experience gives him a unique insight into assisting organizations with intergovernmental cooperation agreements between public bodies.

Brian served as associate counsel to the Illinois Speaker of the House for a legislative term. He was the primary attorney for the Local Government, Urban Revitalization, and Transportation Committees.

He is a frequent author and speaker on school law matters and makes presentations to numerous school organizations, including the Illinois Association of School Boards, the Illinois Association of School Business Officials, SCOPE, Ed-Red, and other organizations. He is also the co-author of the chapter entitled "School Board Practices, Procedures, and Elections" found in the Illinois School Law: Organization, Finance & Property published by the Illinois Institute of Continuing Legal Education (IICLE).

Brian enjoys running, outdoor activities (especially hiking, biking, kayaking, and golfing) and spending time and traveling with his young family.
