

## Let's get started!

For new school board members, there's a lot to learn: mandated training, meetings, working with the superintendent, and learning the work of the board. Newly elected school board members may not have governing experience, but they want to succeed and have a positive impact in their community. IASB is here to help – Let's get started!

The vision of the Illinois Association of School Boards is excellence in local school board governance supporting quality public education.

Specifically, this workshop will help you to

- Identify the role and work of the school board.
- Distinguish board work from that of the superintendent and staff.
