---

**When is home/hospital  
instruction required?**

---

**What documentation do  
parents need to provide?**

---

**How often can we ask for a  
new medical certification?  
Can we consult with the  
doctor who wrote the  
medical certification?**

---

---

**What can we do if we  
disagree with the  
homebound statement?**

---

**Should we change the  
student's IEP placement?**

---

**How do we determine what  
services to provide while a  
student is receiving  
homebound?**

---

---

**What are the rules for  
scheduling homebound  
instruction?**

---

---

**What if we miss a session  
due to the teacher not  
being available? What if the  
session is missed because of  
the student's illness?**

---

---

**What if a student is  
enrolled in a lab class or  
band/art/etc.?**

---

---

**Does the teacher have to  
be licensed in special  
education?**

---

**Questions?**

---

**Save the Date!**

**10/22 at 10 AM**
